

# BioSulfur-S

## Guaranteed Analysis

Sulfur (S).....	40%
40% Free Sulfur (S)	

Derived from: Elemental Sulfur

**KEEP OUT OF REACH OF CHILDREN**

## WARNING

**WARNING:** Causes skin irritation. May cause slight eye irritation, skin sensitization or allergic reactions in sensitive persons.

**PRECAUTIONS:** May irritate eyes. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wear waterproof-chemical-resistant gloves, long-sleeved shirt, long pants, eye goggles, socks with shoes and use a NIOSH-approved N95 (minimum) filtering facepiece respirator (dust mask) that is properly tested or a respirator with a NIOSH-approved organic-vapor-removing cartridge with a prefilter, or a NIOSH-approved canister approved for mixing/loading, and during all clean-up and repair activities. Gloves are not required during applications within a closed cockpit. Wash thoroughly with soap and water after handling the product. Remove contaminated clothing and follow manufacturer's directions for cleaning/maintaining personal protective equipment (PPE) before reuse. Prevent entry into drains, waters, sewages, etc. of the product; contact immediately the municipal technical management if the product enters such bodies.

**FIRST AID:** Following inhalation move to fresh air, rest, half upright position, loosen clothing. Oxygen or artificial respiration if there is difficulty in breathing. Seek medical advice after significant exposure. Treat symptomatically is advised. Following skin contact remove contaminated clothing. Seek medical advice if irritation develops. Wash clothes before reuse. After contact with skin, wash immediately with plenty of water. Following eye contact rinse thoroughly with plenty of water for several minutes. Eyelids should be held away from the eyeball to ensure thorough rinsing. Following ingestion may cause irritation to mucous membranes. **DO NOT INDUCE VOMITING.** Seek medical attention if irritation or symptoms persist.

**STORAGE INFORMATION:** This product should be used within 24 months from the date of manufacture when stored at 40°F. Store container upright and keep tightly closed when not in use. Shake vigorously to re-suspend contents immediately prior to addition in water.

**DISPOSAL:** Do not re-use containers. Dispose of empty containers at an approved Recycling Location.

**An approach to a higher yield and stronger plants. A unique horticultural and specialty crop fertilizer.**

## READ THE LABEL BEFORE USING

**GENERAL APPLICATION STRATEGIES:** BioSulfur-S is a liquid fertilizer containing sulfur. Due to the sulfur hydrophilic nature, BioSulfur-S leaves less residue on the plant. BioSulfur-S is easy to use.

**APPLICATION METHOD:** Apply 0.32 - 0.64 gal/acre for horticultural or greenhouse plants. Use a sufficient volume of water to ensure thorough coverage. For specific recommendations on crop and production practices, contact your local Koppert representative. Maximum 7 applications per season. Test product on a small number of plants before using. Results may vary from one site to another or in time.

**NOTICE TO OPERATOR:** Avoid unnecessary contact with the product. Misuse can be harmful to health. Avoid contact with skin and eyes. In case of contact with eyes, rinse with plenty of water. Use protective gloves when handling product or treated seeds. Wash hands and exposed skin with water and soap. Personal protective equipment is required. Wash equipment thoroughly before reuse.

**LIABILITY:** Koppert Biological Systems, Inc. and/or manufacturer are not liable for any damage to crops arriving from disregard of instructions for use.
